The 12th edition of the BSA Handbook has been completely redesigned. New features include bubble tags that alert readers where they can go to the internet to find additional information about certain subjects. Updated graphics and a whole new look make this edition the perfect companion for Scouting's 100th Anniversary celebration. Environmentally friendly made from 100% post consumer waste recycled fiber, processed without the use of chlorine, carries the Forest Stewardship Council certification. Coil bound version (#34554) features a coil binding so the book will lay flat when open making it easy for teaching or study.
