SCOUTERS: Most of you have given us a copy of your Youth Protection training card. National BSA now REQUIRES every registered adult to be current in their Youth Protection training. National BSA also now REQUIRES that each unit turn in a copy of each person's youth protection card with their annual charter.

We recharter at the end of November. That means we need a copy of your card NOW !!!

**If you have not completed Youth Protection training since February of 2010, you need to go to www.myscouting.org to create an account and complete the YP training. Other training is available here as well. Every scouter should also complete This Is Scouting, Boy Scout Fast Start, and Troop Committee Challenge (if you are on the troop committee). Requirements for ASM's include SALT and ITOLS also. These are offered by the district training staff. Everyone should also take the Weather Hazards session—whether you go camping with the troop or not. Recommended additional training available on line includes Safe Swim Defense, Climb on Safely, Trek Safely, Safety Afloat, and Physical Wellness. Most sessions take 30 minutes or less and give you good safety tips for any activity.
See John Westmoreland for details**
